

Challenge: Have a happy and healthy fun filled Summer

Maths

Mental Maths: Week 37- One per day (including problems and Friday review)

Maths topic: Area and Renaming

We will be focusing on the following points:

- Estimate and measure area using non-standard units of measurement.
- Measure the same surface several times with different units of measurement and compare the results.
- Construct number sentences involving subtraction of whole numbers.
- Rename tens as units
- Subtract a two- digit number from a two- digit number with renaming
- Solve problems involving subtraction of a two-digit number from a two- digit number with/without renaming
- Decide whether an operation requires addition or subtraction.

To access “Busy at Maths” go onto <https://www.cifallon.ie/> and filter accordingly: Primary- second class- maths- busy at Maths-online book- jump to relevant pages.

Note: Area means the total size of the flat surface

Monday

Mental Maths week 37- Monday+ problem.

Activity: Measuring at home: Give your child a pack of playing cards and ask them to measure the surface area of a book/ A4 page etc. Encourage your child to round up if only part of a card is required.

Give your child an A4 page and get them to measure the surface area of a mat/ their bed/ kitchen table/bathroom using the sheets of paper.

Busy at Maths: Area

- Complete page 149+151

Tuesday

Mental Maths week 37 + the problem.

Busy at Maths: Renaming- return to renaming- this is the same as before except we are now taking a two- digit number from a two-digit number.

Note:

To access the tutorials, follow the steps below

- To access “Busy at Maths” tutorials go onto <https://www.cjfallon.ie/> and filter accordingly: Primary- second class- maths- busy at Maths- Interactive (in resources section)
- Jump to page 8 and go down to web link activity 152A- 154A
- At the top of the screen you will see tutorial 20- click on this and it will take you through how to complete the activities on page 152 step by step.
- Do the same for 153A and 154A- click on tutorial and it will go through an example step by step for you.
- Pages 152+153 all practice this- complete 1 or 2 pages as desired.

Wednesday

Mental Maths week 37 + the problem.

Busy at Maths: Renaming

Note:

This page encourages the children to look and see if they need to rename a ten. Sometimes they will automatically rename in every sum. You need to draw their attention to the units and to see if there is a big or small number on top. Ensure they understand why they do or don't have to rename.

Well done 2nd class we have finished all our Irish. You can watch some of the shows above this week or practice some of your “Caint na gaeilge” if you like. 😊

SESE- History, Geography and Science

Theme: Summer

Activity:

Enjoy completing the attached worksheets on a nature walk- look for the following items and see how many you can find in your local area.

Art

Having completed your nature walk/ scavenger hunt I would like you to draw me a picture of your favourite garden bird that you found. Please try to make the bird the size of your page as we have spent a lot of time working on the size and scale of our drawings. Your picture should be the size of an a4 page. I would love to see these. You could e-mail them to me- msnilandrockfieldns@gmail.com

Music

Continue to practice your tin-whistle tunes in your folder or try a new one, there are loads online.
